Fascinated by solutions.
We call it

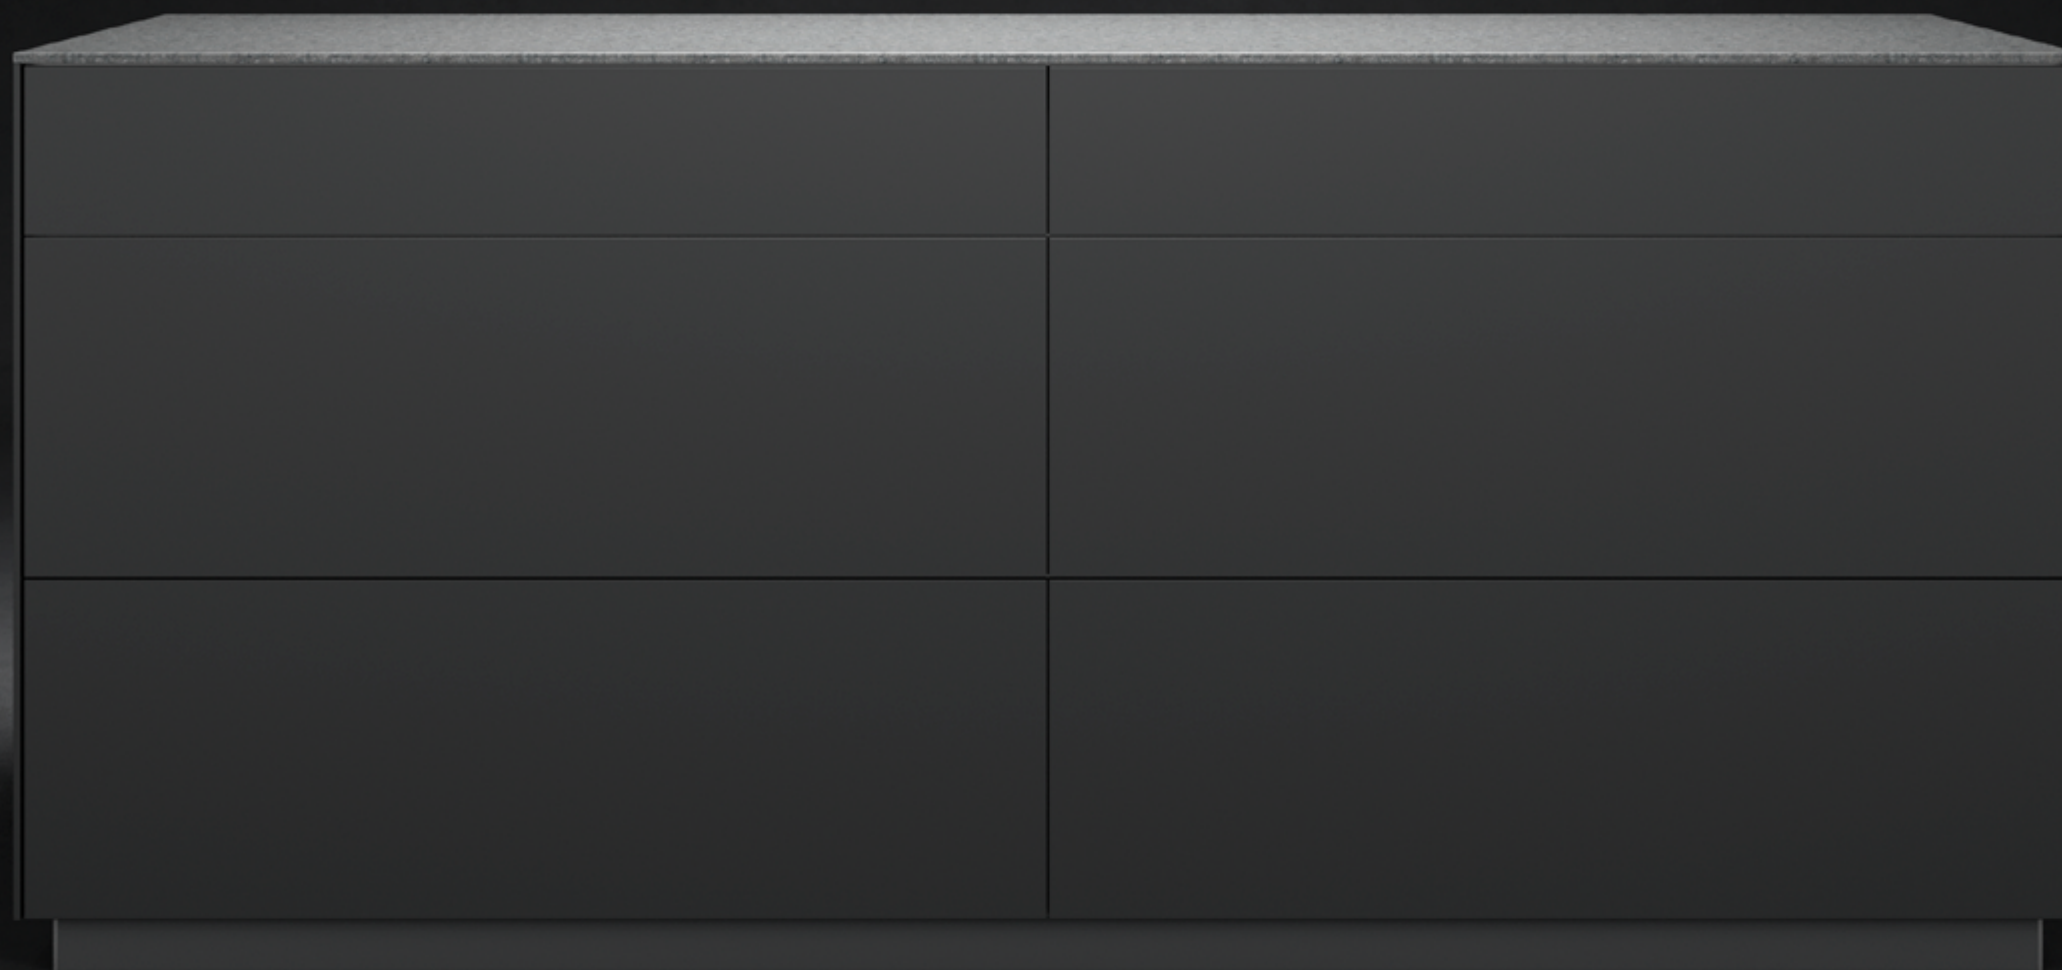

Fascin[action]

„Character! This goes for my Harley
as well as my furniture!”

ALWAYS FLEXIBLE.
ALWAYS COST EFFECTIVE.

Always distinctive. Always versatile.
InnoTech Atira will give your drawers an incredibly distinctive look.

YOUR DESIGN UPGRADE.

The corners and edges of InnoTech Atira can now be made to look even more impressive. Bring out contours with self adhesive designer profiles. Never before has it been easier to differentiate and add an individual stamp.

MINIMUM DETAIL.
MAXIMUM EFFECT.

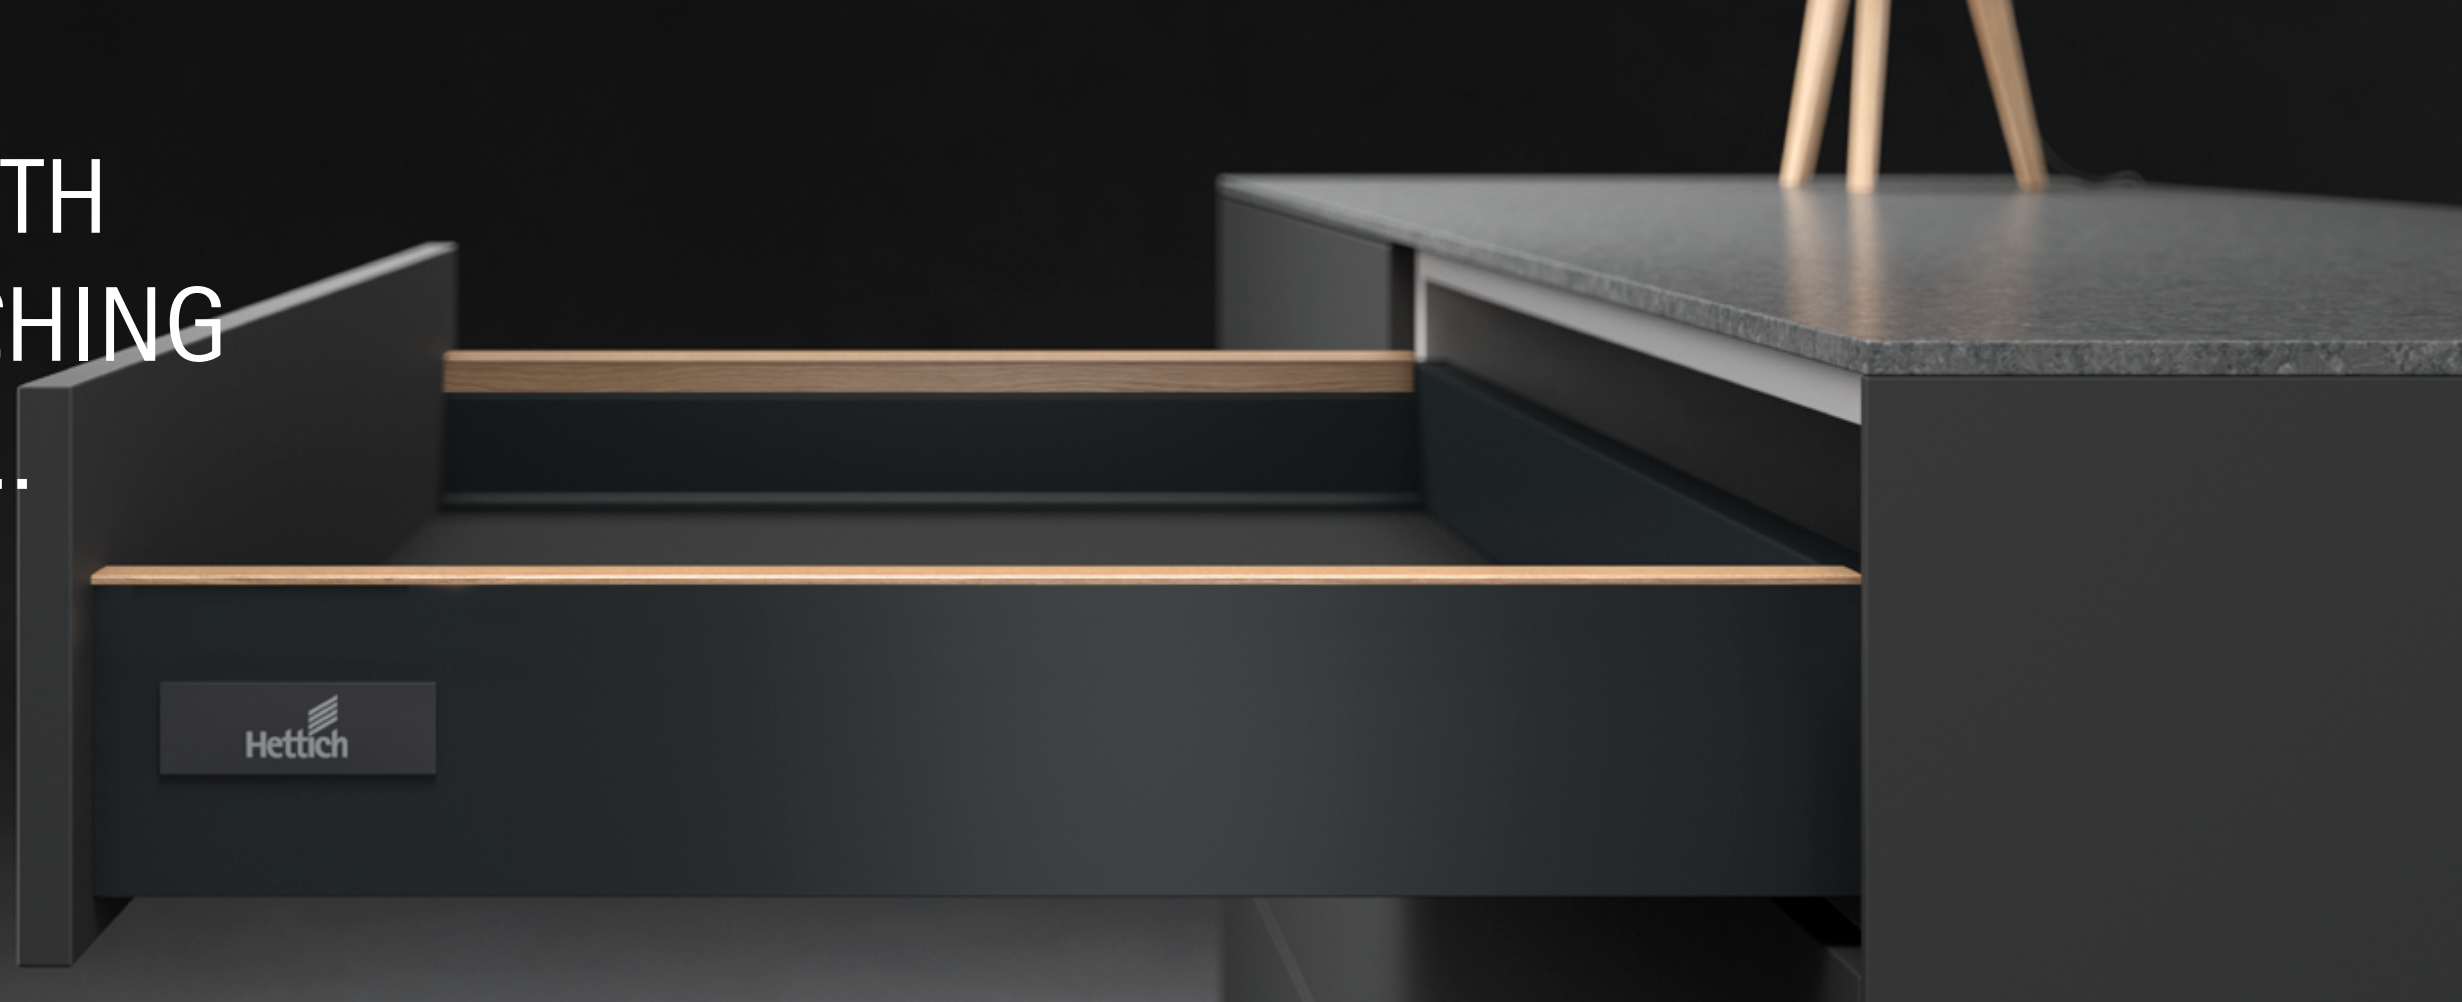

FOR DRAWERS
AND POT-AND-PAN
DRAWERS...

CONSISTENT LOOK
FOR ALL PULL-OUTS ...

COMBINED WITH
COLOUR MATCHING
DESIGNSIDES...

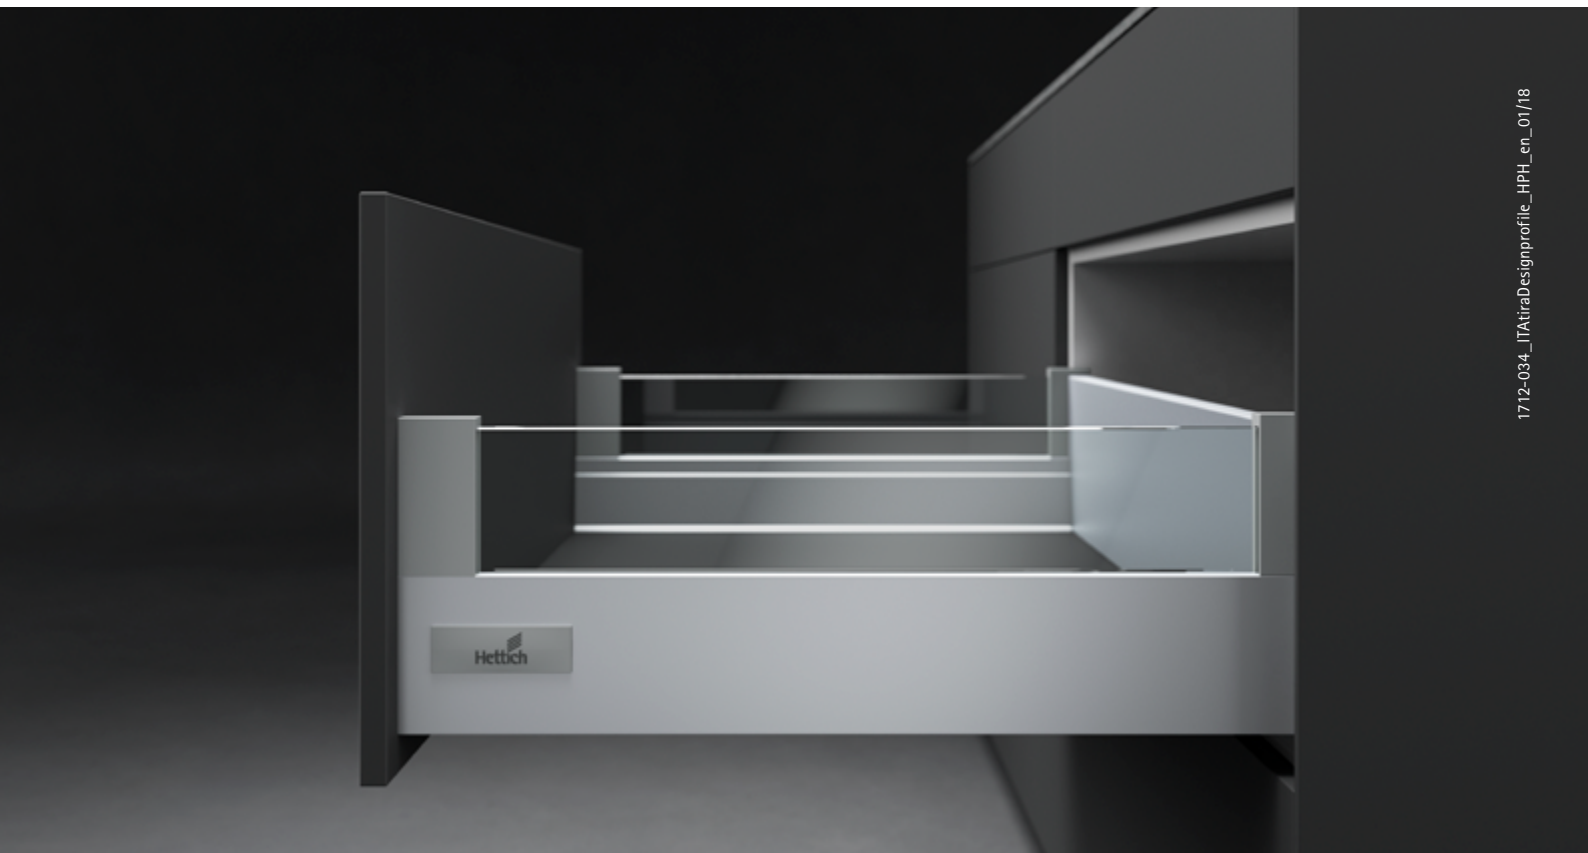

LITTLE EFFORT. GREAT EFFECT.

The design variety from InnoTech Atira's system components is nothing short of overwhelming. It gives you whole new avenues for differentiating – so easily and with stunning effect. And the best thing? You don't even have to change your production processes. Variety has never been as cost effective.
